

JOSHUA MBA BACHA

Founder. Builder. Storyteller. Proud African.

mbabachajoshua@gmail.com +233 536 355 663 [linkedin.com/in/thebachajoshua](https://www.linkedin.com/in/thebachajoshua)

PROFILE

I'm a young creative technologist based in Accra, Ghana. Before cameras and brands I was building robots, prototyping hardware, and solving real technical problems under real constraints. That engineering mindset never left. Now I channel it into Nova Genesis Studio, crafting high-impact visual narratives for ambitious African brands. I think deeply, build fast, and show the whole process.
